

Name _____

Ice Cream and Popsicle

Ice cream is a sweet treat! Ice cream is cold and needs to be kept in a freezer. It is made out of milk, cream, and sugar. You can put different toppings on it. This ice cream is strawberry! It is pink with a red cherry on top. Ice cream can come in a cone or a bowl. The cone is tan and crunchy. You can eat the cone. Ice cream is a good treat to eat on a hot, summer day!

Popsicles are a sweet treat! A popsicle is cold and also needs to be kept frozen. You store popsicles in a freezer. Popsicles come in different flavors. They are made out of fruit and water. This popsicle is yellow. It comes on a tan stick. You can't eat the stick! Popsicles are good on a hot, summer day - just like ice cream!

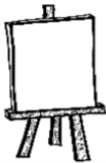

Read the passage three times. Color a star each time you read.

Compare. Underline the similarities in blue.

Contrast. Underline the differences in red.

Illustrate and color the pictures using the information you read in the text.
